Dear Steve,

Thank you for your email

We really need some old payments as we talked before

And you need arrange some old payments of each month for us, if not, we will not survive too, thank you for you understand

As you can see that we are asking a payments for 2016. And now it's May, 2018. How can Mszhu handle?

By the way, where were you old payments as we released all year containers on 2016/2017? This is what we can't understand? And you told us that you will good soon when we met in Hong Kong at each time. So now we still need wait and wait?
